WHERE Hammond Housing Authority
1402 – 173rd Street
Hammond, IN 46324
CALL Claudia Del Real to register by July 11th
(219) 989-3265 Ext. 310

Hammond Housing Authority's Housing Counseling programs offer both individual and group services to first-time home buyers; these counseling services include: First-time homebuyer workshops, real estate professionals and the counselor provide training related to the home buying process, such as qualifying for home loans, budget preparation, credit establishment & repair, money management, finding affordable housing, making offers to purchase and the escrow process. Participants are given information about how to obtain and utilize government assistance programs such as the downpayment, closing costs & shared equity programs.

Eve Gomez, Home Mortgage Consultant with Wells Fargo Home Mortgage will show the many ways it's possible to buy a home or refinance your current mortgage. You'll receive a personalized Purchase Plan and the guidance you need to become a homeowner with the power of a Priority Buyer pre-approval.

Dru Bocek, Reverse Mortgage Consultant with Wells Fargo Home Mortgage will explain how senior homeowners, age 62 years and older can access the equity in their homes with no payments and no liability, ever, as long as they maintain the house as their principal residence.
